OUR BARIUM HOME

We're from Barium; that's, our home,
We are proud to say.
Laughter ringing through the trees,
During each busy day.

People living all around
Come to see our home.
We are proud to show them,
That our home is like their own.

Little tots so sweet and cute,
Play with dolls and toys.
With sisters and brothers all around,
Their hearts are filled with joy.

So much was done to make this home
A gay and happy place.
This is our way of thanking them,
With a smile on every face.

Because of people so kind as you,
And considerate as can be.
This home at Barium Springs today
Marks a place that's wonderful to see.

CHRISTMAS 1959

The Christmas season during 1959 was wonderful at Barium. Although scores of invitations were received to have children spend Christmas in the home with other families, the boys and girls really preferred to remain on campus in their "second home" in the familiar surroundings with friends, and in the midst of the traditional procedure of the Yuletide season.

Traditionally the season at Barium is wonderful because of the goodness of people. Not a dime is ever placed in the budget for Christmas, and every year the needs and desires of the children are met. Christmas letters written early in November were answered abundantly, and friends, remembering Barium, sent in Christmas money for shopping, and organizations sent turkey, candy, ice cream and fruit. Churches and individuals brought more than one hundred home-made cakes. Christmas week was begun with the traditional Family Night Supper in the big dining room. The members of the staff and all the members of the Home came together for the supper. In the center of the dining room was erected a beautiful cedar and near it were hanging two big red stockings. In candle light Christmas carols were sung and everyone in the dining room made his way to the big red stocking to take his gift and then to place a piece of decoration on the tree. Seniors presided over the ceremony and when each had made his way by the stocking and the tree, there were $145 for the children overseas, and a tree shimmering in its beauty. Then with all house lights out the tree was lighted and the Family Prayer was offered.

From then until Christmas morning the excitement mounted in a rising crescendo, so much so that it seemed that we would almost "blast off." Having reached the great day of Christmas everyone rose early and went to the Little Joe's Presbyterian Church for the Christmas service, and then returned to the dining room for Christ-

BARIUM'S SEVENTH DECADE

Barium's seventh decade fell in the Fateful Fifties. The ten year span has seen a continuation of many excellent procedures and great traditions. It also has seen many changes in the physical appearance and in some prevailing practices.

PHYSICAL IMPROVEMENTS AND ADDITIONS

Outstanding on the campus are two buildings which have been added in the ten years. The erection of these was the fulfillment of dreams and plans that had been in process for a long time. The beautiful colonial church sits on the knoll at the north end of the campus. It is a delight to the worshippers of Little Joe's Presbyterian Church and to all that pass its hallowed place. At the south end is the Joseph B. Johnston Gymnasium where many hours are spent in happy play and physical development. In addition to these two buildings there have been added four new cottages for children and five dwelling houses for the personnel, one of these being the new manse near the church. The heating plant has been enlarged and the low pressure heating system changed to a high pressure steam line which is used for heating the water in storage tanks in the cottages and for all steam cooking in the kitchen. The sewage line maintained on the campus was overloaded and the tank was inadequate for good operation. The new Imhoff disposal tank was constructed along with an overflow sand bed for the good operation of the system. A lounging barn for the dairy herd and new hog pens farther from the campus have been added to the farm unit. One of the most delightful improvements during the decade has been the paving of the campus roads and the laying of black top walks, thus getting the traffic and the pedestrians out of the mud. The replacement of the worn-out laundry machinery with new equipment and the addition of new machines in the sewing room helps to make these units more efficient. The cold storage unit presented by the men of Myers Park Church is a real asset to preserving foods and supplying the table. The two new hard-surface tennis courts together with other repairs and improvements within the old buildings mark the major items of growth in the physical plant of the Home.

FINANCES DURING THE DECADE

The income for Barium Springs during the ten years past has been adequate to operate the Home "in the black." This is all the more noteworthy because the one-third increase in budget operations due to the rise in living costs. The income from legacies and special gifts has made possible the capital improvements noted in this report.

One of the primary changes is in the manner in which the operating money is received at the Home. At the beginning of the decade a great deal of money came directly from Sunday schools, churches and groups and thus a line of communication was open directly from the institution to the contributors. As churches, presbyteries and Synod have moved toward the use of central treasurers the Home now receives the major portion of income from the Synod's treasurer. Through this procedure the Home is unable to know the individual sources from which the money is derived, and thus is lost the happy relationship which existed through correspondence with individuals and local churches.

When in the middle of the decade the new church building was dedicated the memorial fund was continued and made applicable to the educational fund. This, added to educational funds already at hand, assured every boy and girl who completed his stay at Barium Springs an opportunity to continue his education or training according to his abilities and desires.

MANY CHANGES

The Seventh Decade was one of transition. Primary in this transition is the transfer of the school from the campus to the community school at Troutman. Underlying this move is the fundamental concept that the primary purpose of the Home is to provide homelife, group recreation, and religious nurture on the campus and to take opportunity for normal community relationships through the school program and community projects. The high school began its transfer in the middle of the decade and the elementary school in grades five through eight will begin with its close. This, then, transfers to the community school also the varsity athletic program.

On campus one of the experiments in this transition was the housing of all ages in one cottage and making sixteen the maximum number for any group. This experiment is proving satisfactory and merits the continuation in the new decade.

DENTAL FACILITIES ADDED

The health program of the Home has always been of major importance and the facilities have been adequate to maintain a high standard of good health. The local physicians, Davis Hospital and the dentists in Statesville have taken care of the Home. During the decade past the Presbyterian dentists of the state became anxious to improve the dental program by establishing on campus a dental office and regular care. These men raised the money, bought the equipment, and arranged with Dr. Smith Kirk to give two days a week to the campus for the care of the children's teeth. During this process Dr. Kirk took the required work at the University of North Carolina

UNDER THE STEEPLE

By Rev. Hugh B. Carter, Jr.

Before the Old Year ended, and immediately after the New Year began, we welcomed new members under the steeple of Little Joe's Church. Mrs. Meta Case, Miss Lava Howard, Miss Ella Reynolds, and Mrs. Nell Smith came to us by transfer from other Churches. A class of twelve boys and girls who prepared themselves for Baptism and the Lord's Supper were received as follows: Charley Allen, Al Blake, Tommy Bush, James Hoover, Benny Joyner, Billy Price, Al Stephens, Kay Brewer, Jean Ritter, and Stacy Ritter by profession of faith in Jesus Christ. Linda Compton and Sherry Ross made a restatement of faith.

Two boys and two girls recited the Catechism for Younger Children and were awarded New Testaments and dollar bills by the Board of Christian Education and by Synod's office. The boys were Angus Medlin and Percy Utsman of Lottie Walker Cottage, and the girls were Bonnie Trent and Sharon Rogers from Howard Cottage. We are mighty proud of our little folk who master the catechism!

The Pioneers presented a play during the Christmas holidays with the help of Mrs. W. A. Gibson, Miss Patricia Buercklin, and Mrs. Jack Crews. Bobby Grier and Glen Houck had the lead parts, and Walter Snead was stage manager in charge of lights. The play was acted in the chancel of the sanctuary on the Sunday evening before Christmas. On the preceding Wednesday, the combined choirs under the direction of Mrs. Clontz and with the participation of the entire congregation led a Carol Service entitled "The Coming of the Christ Child." Seventy-five robed choir members in procession made a stirring entry singing "Hark, The Herald Angels Sing." Special carols included "The Snow Lay On The Ground," and "The Flute Carol" by the Junior Choir; "Long Long Ago," and "Silver Lamps" by the Girl's Chorus, and "Lo, How A Rose E'er Blooming" by the Chancel Choir. On Christmas morning at 6:30 the Senior High Fellowship Council conducted a worship service with talks on the theme "What Christmas Means To Me." Those who had parts were Dickie McKenzie, Elva Medlin, Jim Blake, Graham Blake, Henry Bridgers, Audrey Waters, Helen Spencer and Jean Murdock.

On Christian Student Sunday, we heard from some of our sixteen students who were home from schools and colleges for the holidays. Miss Julia Clendenin of Flora MacDonald College was the organist, and talks were made by Herb Cochrane who attends Phillips Exeter Academy in New Hampshire, and "Mac" McClure, a Junior at Davidson College.

The congregation approved a budget for 1960 of $8,600 on the basis of pledges made during the Every Member Canvass. Our Thanksgiving offering amounted to $155.25 and the Joy Gift offering was $86.72.

We are beginning the New Year with a series of sermons based on the Lord's Prayer with the hope that our prayer life will be richer during the next twelve months. We believe that the only hope for a unified earth rests upon all men becoming brothers in Christ who can pray as He taught His disciples to pray together saying, "Our Father . . ."

for the practice of orthodontia. Now the children of the Home are getting expert care in their regular dental program and orthodontic treatment also. In addition to the superb dental care afforded Dr. Smith Kirk manifests the very highest in the spirit of devotion and consecration and in his love for Barium Springs in every phase of its activities.

ENROLLMENT

There was a time when the church almost alone offered services to children through its institutional care. Today this is not the case, for there are many agencies rendering service to children, and more children are receiving care and better care today than ever before in the history of child care. Due to the increased interest on the part of county, state, and federal governments and improved programs of adoption and foster home care, the demands for institutional care have not been as great. In line with the national trend the enrollment at Barium Springs has been reduced by about one-fifth. The forecast for the next decade by an outstanding leader in the national picture is for a leveling off at about the present enrollment.

Ten years of group living in the Home can be better seen in terms of the days of care. The total days of care of children with all their love and laughter, work, sorrow, and play is 778,870. Many children who have been a part of the Home have not finished school, but 135 have finished high school, going on into further training, education, military service, jobs, and the establishment of homes.

MEMBERS OF THE BOARD OF REGENTS

At the beginning of the ten years Mr. J. A. Cannon was president of the Board, Mrs. R. A. Young, vice-president, and Mrs. Coit Robinson, secretary. The other members of the Board were Mr. Tully D. Blair, Mr. J. Archie Cannon, Jr., Mr. W. E. Price, Rev. S. E. Howie, Mrs. W. C. Alexander, Mrs. E. C. Beatty, Mrs. J. H. Brown, Rev. Ben F. Brown, Mr. N. H. Edgerton, Mrs. H. S. Kirk, Rev. N. R. McGeachy, Mr. J. H. Thompson, Mrs. P. P. McCain, Mrs. Fred L. Smyre, Mrs. Percy R. Smith, Mrs. C. E. Kerchner. At the close of the decade the board was composed of the following: Mr. M. C. Benton, Jr., president, Mrs. Lewis B. Schneck, vice-president, Mr. Charles T. Hagan, Jr., secretary. The other members are Mrs. J. R. Benson, Mrs. R. E. Brooks, Mr. Royall R. Brown, Dr. J. H. Carter, Mrs. David C. Clark, Mr. Robert Lee Corbett, Mrs. Emmett Crook, Mrs. N. F. Dixon, Mr. Ennis N. Jackson, Mrs. W. W. McGinn, Mrs. Colon McLean, Mrs. John F. McNair, Jr., Mr. Charles Boney, Dr. Robert F. Sloop, Mrs. F. F. Steele, Sr., Mr. George Stovall, and Mr. Finley T. White. Other persons who have served on the board are Mr. C. Spears Hicks, Mrs. Charles Ross, Mrs. J. H. Matthews, Mr. Fred A. Long, Mrs. C. A. Wyche, Mrs. L. Clayton Herring, Dr. William Crow, Rev. J. W. Miller, Rev. W. B. Heyward, and Mrs. John Farrior.

PERSONNEL

This ten year period has been marked by faithful service on the part of many persons who were with the Home at its beginning and who have continued through to its end. There is no way adequately to describe the faithfulness and devotion of the people who have served Barium Springs. Many new members have been added and are now a part of the work of the Home.

The years have rolled by for a number of persons and retirement age brought to a close their years of service. Outstanding contributions have been made by each of these whose combined years of service exceed two hundred years. Retiring at the beginning of the decade was that great superintendent, Dr. Joseph B. Johnston, after twenty-seven years of service to the Home. Mr. J. H. Lowrance, after longest tenure in the existence of the Home, retired in 1954 with forty years of service. Others whose name appear on this roster are Mr. P. B. Lackey, Mrs. Rebecca W. Gentry, Mr. John F. Stinson, Mr. Fred Hall, and Mr. Robert Templeton.

THE NEXT TEN YEARS

The next ten years like all the preceding ones will be in the hand of God and directed by his mercy and grace. It is hoped that the life and work of Barium Springs will continue its fundamental concept of service to children in the name of Christ enabling them to become good citizens of the state and of the kingdom.

mas breakfast. After breakfast all the cottages were filled with excitement, for in the living room the tree was surrounded by the gifts that waited to be opened. Each cottage had its own time for opening its gifts and getting the cottage ready. Just before lunch open house was held on the campus and all had a chance to visit the cottages. At high noon the Christmas dinner was served for the Barium family in the big dining room with turkey and all the trimmings.

The Christmas services were unusually lovely. Seventy-five children in the various choirs had presented a lovely Christmas carol service. The boys' choir had sung at the Sunday morning service, the elementary school chorus had given a chapel program, and the early service made the meaning of Christmas real.

Additional pleasures were the Davidson Party, where the fraternities invited the first seven grades down and entertained them for supper and a party. Mr. Cary Wilson and Mr. Paul Buck of the Coliseum invited the 150 children to the Coliseum for Ice Capades. These together with other parties and get-togethers made the Christmas season a wonderful time. As Christmas closes and the New Year gets under way, the campus is enriched by the dolls, tea sets, cribs, mangers and beds—by skirts and sweaters, dresses, suits, neckerchiefs, shoes, luggage, jewelry, perfumes, powder, lipstick, clocks, watches, radios—by cowboy suits, bows and arrows, guns, basketballs, footballs, roller skates, radios, watches, clocks, by games and toys too numerable to mention. All of these, because people are good and because people love to give.
